Owing to the appearance of plague in Bangalore, the people there are panic stricken and are going to sell their houses for anything they can get and are leaving the place. I have therefore decided to construct temporary sheds for the accommodation of the people who are leaving Bangalore. They want building sites in a locality which is not far from the bazaars. They have selected the premises of the Govt. Wood Yard and on the Chettiarahalli road for building sites. The Plague Commissioner and the Sanitary Engineer [illegible]

locality and they have approved of the
application in this office No 112 dated
12th inst has already been submitted

Memo

(51)

In his letter etc 112 dated 12. August 1898. the President Mysore City municipality reported that great difficulty was experienced in providing accommodation to those whose houses were taken up for opening the congested parts of the City and that requested sanction to the woodyard of the Forest Dept being granted for the extension of the City, the vacant land by the side of the new reserved Police lines on the Distillery road in Chamarajapura being given to the Forest Dept for the location of the wood yard in question.

(2) The Co marks

Dy Conservator Forest officer no objection to part- the wood yard, if Mty undertook to bear the cost of the buildings on the site and the new site acquired both the Forest Dept, and

Forests, to whom a copy of
the above letter was forwarded
for opinion, + stated that
there was no objection to
the sale of the present
wood yard being relinquished,
provided that the total
amount ~~possessed~~ expended
on it from Forest funds
including ~~compensation~~
acquisition, enclosing and
buildings was refunded
and that the site adjoining
the Chamarag Road originally
intended for the Industrial
school could be made
available as a wood yard.
He added that this site,
which was found insufficient
for the Industrial school,
would

+ Letter no 840 dy 27/8/9
6.5.

would be a great advantage to have it as a wood yard owing to its proximity to the new Sandal Kote.

(8) The Conservator further stated that the site proposed to by the District Forest officer near the site on the Yelwal road opposite the Govt offices which had been acquired + last year by the Forest Dept for the Kote at a cost of Rs 943-10-0 and which would be ill-suited for the purposes proposed to by the Asst President, and that it would be an excellent site for offices or private dwelling houses. The Conservator therefore requests

Pro on 0060-62 / H:F 151-95 dt 18/3/97

that the City Municipality or the Govt in the General Department may relieve the Forest Dept of the cost of the same.

(4) The Vice President to whom a D-O was addressed for further information, replies that the whole cost of the wood yard comes to Rs 4187-12-8, of which items 2 and 3 on account of repairs and ~~on account~~ were fence may be omitted, as the building was in use of the Dept and the fencing may be required by them. Should these 2 items be ~~kept~~ cost deducted the balance payable amounts to Rs 3605-10-11. If the fence is not required by the Forest Dept the President is prepared to pay for the same and utilize it for some municipal land.

(1) Compensation for land & cost of construction & improvements - - - - } Rs 3017-10-11

(2) Repairs done to old stone room } 66 13 6

(3) Constructing barbed wire fence } 515-4-3

(4) Cost of carriage of timber from the wood yard to the new site - - - } 588-0-0

Total Rs 4187 12 8

4187 12 8
582-1-9
3605 10 11

(5) The Vice President further states that the site for new woodyard selected by him near the Reserve Police Lines is different from that selected by Col Walker, who wants the site reserved for the Industrial school & that the same may be given for new wood yard.

(6) It is added that the sites referred to by the Conservator of Forests in para 2 of his letter are those purchased from the General and Revenue Secy and Mr C D Ramaswamy on the Yelwal road & that they will do well for the Industrial school, or offices or for Bungalows, but that the construction of ordinary Houses, be, lower class ought

A further point, which does not however, seem to require ~~further~~ immediate orders, is that proposed by the Conservator in para 2 of his letter (#3) and answered in the concluding portion of the Vice President's D.O. (#5)

Enc. No. 2250

MYSORE CITY MUNICIPAL PRESIDENT'S OFFICE,

Dated the 12th August 1898.

To

The Secretary to the Government of Mysore,
Revenue and General Departments.

SIR,

With reference to the opening out the congested parts of the city, I have the honor to state that great difficulty is experienced in providing building sites to those who loose their houses in different parts of the city and that no other site is available than the present Government Woodyard in Krishna Rajendra Mohalla.

2 The Collector Commissioner and the Boundary Engineer have inspected the said premises and approved of the same as a site for the proposed Market.

to arrange the drainage of the place

3 The district Forest-officer was consulted and he informed that there would be no objection to give the whole site, provided the Municipality bear the cost of the buildings, which were estimated to be worth Rs 2=10/. (a copy of his reply and a sketch plan showing the locality is herewith submitted for reference.

4. The vacant land be the side of the new reserved police lines on the Pistillary, road in Colombo, [illegible] well and well for the [illegible] of the woodyard in Kotahena, could be an [illegible] contemplation to [illegible] the [illegible] Roll, and [illegible] proceeds to the Reserve Police lines on the same land. A well [illegible] supply [illegible] of the

woodyard also is removed to the same locality.

Sr I request that you will kindly obtain the sanction of Government for granting the woodyard for the extension of the city.

I have the honor to be

1/2

To

The Deputy Commissioner

Mysore District

Sir,

With reference to correspondence
of the 15th ultimo on the above cap-
tioned subject vide your No 259 dated the 16th
idem praying whether we can make
over to the Municipality the site of the
old wooden and other buildings, for
the price paid for the same when
stating that the Forest department
will have to leave the cost of
building, I have the honor to state
that the price paid for
sale is Rs 150 and the cost of
two buildings is Rs

considered. It dwindles still further when we take into account the value of the old Woodyard site itself, as according to the Vice-President himself there is great demand for building sites in the Town.

Under the above circumstances, I beg to state that the application of the Vice President may be favourably considered, if that officer can see his way to pay us the recorded value of the two buildings on the old site in addition to the compensation which we paid for the new site referred to.

I have the honor to be

Dated Bangalore, 27th August 1898.

From

COLONEL I. CAMPBELL WALKER,

Conservator of Forests in Mysore.

To

THE SECRETARY TO THE GOVERNMENT OF MYSORE,

General and Revenue Departments.

SIR,

Referring to your (No. 2515 / L. F. 204-93) dated 24th ult., I have the honor to state that I see no objection to our relinquishing the side of the present road in Hyvoke provided the total amount expended as at present from Forest funds including expenses enclosing and building is refunded and the side adjoining the Chamaraj Road originally intended for the Industrial School can be made available as a woodyard.

This side is, I understand, found in unsuitable for the Industrial School and it will be a great advantage to have

× enclosures returned.

it as a wood yard adjoining the new Sandal Kadi the project for which is ready but had to be returned to Chief Engineer for further consideration with regard to space required.

2. I fancy the new site referred to by the Myaree District Forest Officer is the site on the Yelwal Road opposite the Government offices which was required last year for the Kadi but which was found unsuitable. (sl 16) We paid Rs 943-10-0 for it and although it is probably not suitable for the purposes referred to by the Municipal President it is an excellent site for offices or private dwelling houses and I shall be glad if the Myaree Municipality or Government or the General Department will relieve us of it.

I have the honor to be,

Sir,

Your most obedient servant,

Conservator of Forests

tatement shewing the cost incurred.

Dear Mr Hampund Ray Avar

Herewith I send you a copy of the Conservator's letter in re the proposed transfer of the Mysore Woodyard to the Municipality. Can you find out what the Total amount is which was "expended on it from Forest Funds including acquisition enclosing and building" You have proposed for the new Woodyard a site opposite to the site elected for the Sandal Kothi. But the Conservator wants the site adjoining the Chamraj Road originally intended

for the Industrial School" and adjoining the new Sandal Mkr's. Is this different from the site you speak of and if so is it available Kindly send me a sketch marking thereon the Police lines the site of the new Sandal Mkr, the site you propose as the wood yard and the site Col Campbell Walker wants. An early reply will oblige

Yours very sincerely

Signed C Srinivasa Iyengar

P.S. What do you say to the suggestion made by the Conservator in para 2 of his letter?

Init C.S.

be omitted as they were using the buildings Not necessary to pay for the barbed wire fence as the same will be required by the Forestry Department for fencing the new ground the Municipality bearing the cost of removing and refixing It if is not required the same will be purchased by the Municipality and utilized for inclosing some of the Municipal lands. I selected the Lots marked in blue pencil by the side of the Reserve Police Lines. This is different from that of the one P.C Campbell Parker now wants. As he is not in favour of it, the Lots

Site reserved for the Industrial School may be given for the Woodyard. The Sites referred to in Para 2 of the Conservator of Forest are those purchased from Yow and others on the Elwal road. They will do very well for Bungalows or for Offices. It is a pity to use those Sites for building ordinary houses by the lower Classes. I think they will do well for building the Industrial School as no other Such Suitable building Sites are available anywhere else. I learned from the Executive Engineer of this Division that one of the Sites will Soon be taken up for building the Lady Assistant Surgeons Quarters as the one now occupied by her will be sold. i.e. Bungalow
